CHUBBY CHUMS

A CHILD PROTECTION ORGANIZATION

At Vuyani we look back with gratefulness on the past year in which our children could grow and develop in many areas through the love and care of our dedicated staff, volunteers, donors and various professionals who had their best interest at heart.

We want to thank each and every one for their special contribution! And the help with Chubby Chums

martin has our home all on his mind and what the team can do for the home we have come a long way with the team

Chubby Chums A CHILD PROTECTION ORGANIZATION

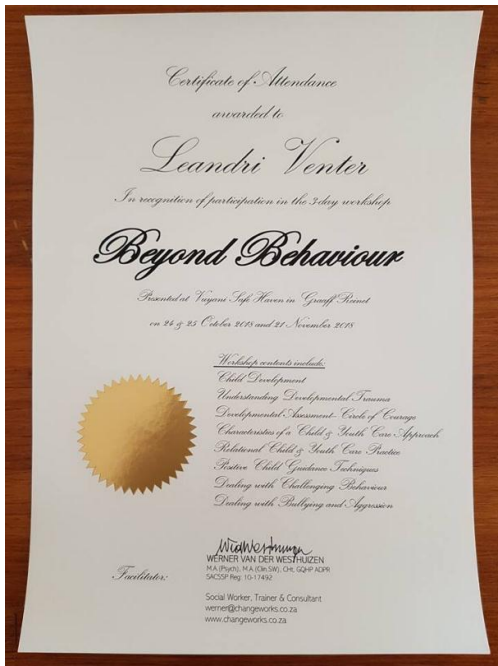

Joy grows with care
(Vuyani is the Xhosa word for JOY)

Christmas Play

Vuyani's children took part in the annual Christmas play of the Kairos AFM church in Graaff-Reinet. We thank all the Youth and Sunday school facilitators for their patience and love towards our children and the hard work and time that went into the production!

Marinda Jordaan of the Sasol Solar Foundation recently visited Graaff-Reinet and handed over a big box of Lego blocks to Vuyani. We will be able to do a lot with our children to develop different skills with these Lego blocks.

KNITTING CLASSES

A huge Thank You to the Graaff-Reinet Dutch Reformed Church and especially Danelle Botes for organising a knitting class for Vuyani's children during the October holidays. Amanda and Mariaan were the two ladies teaching our children. What joy to be able to create something for yourself?

Vuyani AGM

At Vuyani's AGM in September the Board as nominated, was appointed. Two staff members received long service awards, both for 5 years of service. Without these faithful ladies we won't be able to clothe and feed and care for our children. Hannes van Jaarsveld received an award of recognition on behalf of the Van Jaarsveld family and Montego Pet Nutrition for their contribution since 2000 to 2018. Carol-Ann and Hannes were members of the very first board of Vuyani and since then have supported Vuyani. Montego is always ready to lend a hand with any need at Vuyani. Guests to the AGM were entertained by items performed by children from the Vuyani Learning Centre and violin playing by students of Charl du Toit - two boys from Vuyani and the two girls from the Rupert Farmworkers Aftercare program.

SOUTH AFRICAN DONORS:

All the Friends who so often deliver donations in kind at Vuyani , e.g. foodstuff, clothes (new and second hand) and toys and volunteers assisting with parties and so much more ... your support assists us greatly with our service at Vuyani Safe Haven.

THANK YOU TO ALL OUR SPONSORS!

If we accidently left out your name, please let us know.

⚡ CHILD PROTECTION ORGANIZATION

VUYANI'S ROOF PAINTED!

Look at the neat end result after Marion and Robert Rubidge of Well-wood farm took on the project of painting the roof of Vuyani's Cradock Street house with no cost or effort to Vuyani.

KAIROS MINISTRIES

Some of our children attended a Sunday School camp of AFM Kairos Ministries at the Camdeboo National Park's Outdoor Training Centre. Thank you Paula van Rooyen, Leticia Jenneke and all the other adults who made this camp possible!

EASTER JOY

Enya Kemp had to do a community project and involved all the children who couldn't be placed during the Easter holidays. On Easter Monday the children had an unforgettable experience - an Easter egg hunt, jumping on the trampoline, playing games and doing an art project . They all had loads of fun!

VUYANI'S NEEDS BEING MET

Imelda Naude, her son, Werner and daughter-in-law, Sarah Jane, responded to Vuyani's need list and bought a desk and chair for Nosipho, a Grade 11 learner, and also a camping cot for our babies.

We are so grateful!
